ANNOUNCEMENTS

For style and comfort see the ladies' \$2.60 exfords in latest styles and colors that Frank A. Bill offers.

See Mrs. E. Fay's lie of Yale and Harvard flags and all kinds of dec-orations for the celebration.

A Summer Appetizer—A teaspoonful of Horsford's Acid Phosphate in a glass of water stimulates appetite and

That handy little book, the Path-finder, containing the summer schedule of all trains in New England, is new on sale at the news offices.

The official souvenir badges for the 250th anniversary celebration have been delivered and the executive comheen delivered and the executive com-mittee has placed them with The Por-teous & Mitchell company for distri-bution. It is a handsome badge and a work of art, and although the commit-tee gave a very liberal order it is doubtful if there will be enough to supply all that will want them. They are now on sale to the public at the store of The Porteous & Mitchell com-rent and dealers who want them can pany and dealers who want them can also be supplied by applying now.

BREED THEATER. Love Under Spanish Skies, Feature Motion Picture,

Beginning today the Breed theater will show one of the most interesting motion pictures in the business. It is entitled Love Under Spanish Skies and is a brilliant story, full of exciting and thrilling situatious, dealing with the love affairs of members of Spanish nolove affairs of members of Spanish no-bility and enacted in the most pictur-sique portion of sunny Spain. Other pictures that are decided features are A War-time Tale. Behares, scenic, and the wholesome comedy in the following pictures: Hard to Beat, Oh, Rats, Jack's Successful Bluff and Uncle's Palm Tree.

Palm Tree.

Mr. Delaney will feature the great song enflited Morning, Cy! a distinctly Reuben, song of the catchy sort that compels you to hum it for days after hearing it:

Miss Norma Beaux will sing for the remainder of the week Greene's week remainder of the week Greene's sweet song entitled Sing Me to Sleep (by request), and the delightful popular filustrated song It's the Pretty Things

ETIQUETTE BY THE SEA. Formalities.

The following order was issued Tuesday from the adjutant general's office.

The following order from the navy department is published for the information of all concerned, and will

Navy Department. Washington, June 9, 1989. General Order, No. 28.

It has come to the attention of the

to naval usage, and, as far as practi-cable, to the regulations for the gov-erament of the navy.

G. L. V. MEYER,

Secretary of the Navy.

It is the desire of the navy department, which is coincided in by this department, that there should be no misunderstanding among all concerned aging to the relations which should cotain. between the regular service and the militia. The navy department deems it necessary that the navy regulations side will discours concerning honors, ceremonies, exchange of signals and other intercourse shall apply to the naval militia as well as the regular service, and it is so or. as the regular service, and it is so or-dered, and commanding officers will at all times be very careful and attentive

Unverified Report that New Haven Road Wants Rhode Island Electric

At the offices of the New Haven road confirmation is refused of the reported exchange of New Haven railroad stock for shares of the United Traction and Electric company of Providence, R. I. on a basis of five shares of New Haven stock for shares of New Haven stock for sight charges. on a basis of five shares of New Haven stock for eight shares of the stock of the traction company, which would represent the ratio between the dividend of the two corporations.

It is known, however, that it is the policy of the New Haven company to consolidate as rapidly and as fully as possible the somewhat intricate street raflway systems of Rhode Island under various corporations which it now

ranway systems of Rhode Island under various corporations which it now
controls. A plan looking to such a consolidation as a preliminary step was
announced some time ago, but it is understood was thwarted when the Rhode
Island street railway holdings of the
New Haven company were folined in
the government suit against the New
Haven company under the Sherman
act.

CITY ENGINEER'S LIST. Subjects Which Hartford Official Will Investigate on Trip Abroad.

City Engineer F. L. Ford who left Hartford Tuesday morning to sail from New York for Liverpool, Wednesday, has mapped our plenty of work for himself on his European trip, as he proposes to get information concern-ing the following subjects: Street maines, street lighting, street cleaning, street sprinking, crosswalk construc-tion, traffic statistics, road rules and traffic regulations, overrhanging and illuminated signs, billboard nuisance, street numbering systems, afreet railstreet numbering systems, street rail-way service, street railway rails and track construction, street noises, cross-section of pavements, removal of ashes, rubbish and garbage, removal of snow, trolley waiting stations, pub-lic waiting stations, general informa-tion.

LARGEST TREE IN THE STATE Huge Chestnut on the Cyrus Coe Farm

Near Laurel Brook Reservoir. What is said to be the largest tree in the state is a hune chestnut on the Cyrus Coe farm in Middlefield mear-Lauret Brook reservoir. The tree measures 31 feet around and stands well up in the air. Its age is unknown.

is always found but it is evidently much beyond the century mark. The huge tree has been a landmark for years.

PERSONS TALKED ABOUT

Does not the service of Daniel J. Does not the zervice of Daniel J. Marsh of half a century as treasurer of the Five Cent Savings bank of Springfiled, Mass., make the record for New England and the country? We notice that Oren Westcott, who has just resigned as cashier of the Flackstone Canal National bank, of P ovidence, has been over 40 years in trat position.

The probate court at Washington, b, C., the other day awarded a fee of \$60.452 to Holmes Courad, formerly collicitor general of the United States, for services in securing a Judgment from the supreme court of the United States allowing the claim of the heirs of the late Joseph Parrish, \$181,358, for ice furnished to the union army during the civil war.

The Countess de Hlonny is said to have the best collection of colls in the world. Her collection has just been on exhibition in Brussels for the benefit of the Caivary guild. The cidest dolls came from the rains of Nireveh, and were presented to the countess' great-grandmother by Queen Merie Antoinette. The most striking dells in the collection are said to be the Pingo dells from South Africa.

Court Chamberlain Ivan Nazimoff. confiction of imperial typography of Russia, has left for this country, where he will inspect the printing earlishments of New York, Washington, Philadelphia and Chicago. A new building for the government rinting office is now being construction of the Pedeschury and a new blant renting office is now being constructed in St. Petersburg and a new plant will be installed. The government is determined to organize and equip it

Mrs. Franklin MacVengh, wife of the secretary of the treasury, is a collector of antiques. The MacVengh home in Chicago has excited the admiration of artists from all parts of the world. It was decorated throughout at the direction of Mrs. MacVengh the found rosy murbles for it in Egypt and thee were brought to America in a sailing ship around Cape Hern. In India she found rare woods and wonderful examples of wood carvand wonderful examples of wood carv-

Caught Monster Sturgeon.

A 390-pound sturgeon found its way into the fish pound formerly owned by Asa Stannard, now the property of A. W. Stokes, at Westbrook, on Monday night. The fish measured 6 feet 3 inches in length. When the sturgeon found herself a prisoner she made desperate efforts to break out, but as the pound was a new one the effort was fruitless. By means of ropes the fish was gotten ashore and killed. There were about fifty pounds of eggs discovered, said to be worth about \$1 a pound. As the fish itself brings about 15 cents a pound, it proved to be a valuable catch.

Improvements in Baseball. Powerful electric lights and lumiary to call ball games on account of arkness. This will enable the accu-nulated "double headers" to be played

department that much uncertainty exists regarding the formalities and diquette to be observed by vessels of the state naval militia when meeting vessels of the navy.

The department desires that, when vessels of the navy meet, or are in company with vessels of the naval militia, their intercourse shall conform to naval usage, and, as far as practical.

First Aid to La Follette. Mr. Bryan's ambition seems at last to be taking a practical form. As sen-ator from Nebraska he would probab' have made things still livelier for the tariff makers .- New York World.

DIRECTORS ON TOUR.

The directors of the New York, New Haven & Hartford road, at their meeting last week declared the usual quarterly dividaed of 2 per cent, payable the last day of this month. The meeting was somewhat out of the ordinary. A special meeting was held in New York Thursday evening, and that night the board took the steamer Commonwealth and made the Sound trip to Providence. Then they junched at the Squantum club as the guests of their fellow director. Robert Tait of Providence, and subsequently inspected the new tunnel at Providence. The subject of the Connecticut vacancy in the board caused by the death of Col. F. W. Cheney, was only informally discussed and no action was taken.

Drink all the Williams' Root Beer you want. It will only make you feel cool and refershed.—adv.

THE TREE PLANTES.

What does he plant who plants a tree?
He plants cool shade and tender rain,
And seed and bud of days to be.
And years that fade and flush again;
He plants the glory of the plain;
He plants the forests heritage;
The farvest of a coming age;
The foy that unborn eyes shall see—
These things he plants who plants a
tree.

What does he plant who plants a tree?

He plants in sap add leaf and wood,
In love of home and loyalty
And far-cast thought of civic good—
His blessing on the neighborhood
Who in the hollow of His hand
Holds all the growth of all our
land.

A nation's growth far

WHAT WAS HIS NAME!

FOETRY.

What was his name? I do not know f only know he heard God's voice and Brought all he loved across the age.
To live and work for God and me;
Felled the ungracious oak,
With horrid toil
Dragged from the soil
The thrice-knaried roots and stubborn rock;
With plenty filled the haggard mountainside.

And when his work was done, without memorial died.

No biaring trumpet sounded out his fame;
He lived he died. I do not know his name. No form of bronze and he memorial Spow me the place where lie his mol-

dering bones.
Only a cheerful city stands.
Only a cheerful city stands.
Bullded by his hardened hands:
Only ten thousand homes.
Where, every day.
The cheerful play
Of love and hope and courage comes:
These are his monuments, and these.

There is no form of bronze and no memorial stone.

And though this body He where ocean Father, count me among all faithful

What does he plant who plants a tree?
He plants the friend of sun and sky;
He plants the flag of breezes free;
The shaft of beauty, towering high;
He plants a home to heaven anigh.
For song and mother-croon of bird.
In hushed and happy twilight heard.
The trebis of heaven's harmony—
These things he plants who plants a tree.

sea
Where Thou, great God of angels, with
send me?
Some oak for me to rend, some sod
For me to break.
Some handful of thy corn to take,
And scatter far afield.
Till it in turn shall yield
Its handredfold
Of grains of gold.
To feed the happy children of my God?
Show me the dosert, Father, or the
sea.
Is it thine enterprise? Great God, send
me:

All Souls Day,
—Edward Everett Hale.

Enquire of A. L. POTTER & CO.

"Read about the new anaesthetic? It's a good thing." "What's it like?" 'Deprives you of feeling, but not of your senses. If you see the surgeon trying to sew sponges or forceps up in you, you get a chance to call him gown."—Philadelphia Ledger.

MUCH IN LITTLE

the capital invested in the cultivation of rubber is not far short of \$15,000,-600, the area planted exceeds 125,000 acres and the total exceeds 125,000 acres and of an approximate value of \$2,275,000 and yielding an export day of nearly \$57,000.

The mines of Greece are found chiefly on the eastern shares of the pershaula and in the islands of the segran, as these parts of the country are the oldest geologically and volcanic origin. Notwithstanding this mineral wealth the industrial devertopment of the country has been slow, on account of the lack of fuel, which is rowhere found in sufficient quantity.

The Priamurie states that owing to the initiative of the Japanese assaunt uninities of finance, Mr. Vakazuki, late financial agent in Loodon, at Anglo-Japanese syndicate has been formed for working gold, silver and copper beds in Manchuria, on the right share of the Yalu river. Several large Japanese and London capitalists, as well as the British firm of Bross in laswelvesang will participate in this syndicate.

Cleveland Straw, struck, an enraged nit in the head with a stone and kill-c it, thus saving the life of a neigh-er whom the animal had attacked.
